

Are you a healthcare professional interested in applying for funded research time?

Are you an experienced cancer researcher who could partner with a clinical researcher?

Join a lunchtime webinar to find out more about the UKRI MRC's Clinical Academic Research Partnerships (CARP) funding scheme

What is the UKRI MRC CARP scheme?

- The UKRI MRC runs a scheme for registered healthcare professionals to apply for funded time to form a collaborative research partnership with established leading biomedical and applied health researchers.
- You can apply for 20-50% of salary for 1-3 years, plus project costs.
- 2023 applications open in August and close in November.

Can I apply?

Full details are online, but essentially, the scheme is aimed at registered healthcare professionals who:

- have a PhD, MD or equivalent
- are working at a senior level
- have limited or no research time funded.

Could I be a research partner?

- Applicants must have at least one research partner.
- If you have a proven track record of securing funding and delivering high-quality research, you could be a co-applicant.

Join a webinar to find out more

**1-2pm, Monday
27th March 2023**

The Wales Cancer Research Centre has organised a lunchtime webinar where potential applicants and research partners can hear from:

- **Monica Busse**, Director of HCRW Faculty, about how personal awards could support your career
- **Samantha Moore**, UKRI MRC scheme representative, about eligibility and what the panel will be looking for.

Ydych chi'n weithiwr gofal iechyd proffesiynol sydd â diddordeb mewn ymgeisio am amser wedi'i ariannu i ymchwilio?

Ydych chi'n ymchwilydd cancer profiadol a allai weithio mewn partneriaeth ag ymchwilydd clinigol?

Ymunwch â gweminar dros amser cinio i ddarganfod rhagor am gynllun ariannu Partneriaethau Ymchwil Academiaidd Clinigol (CARP). Cyngor Ymchwil Feddygol UKRI

Beth yw cynllun CARP Cyngor Ymchwil Feddygol UKRI?

- Mae gan Gyngor Ymchwil Feddygol UKRI gynllun sy'n galluogi gweithwyr gofal iechyd cofrestredig i wneud cais am amser wedi'i ariannu i ddod yn bartner ymchwil cydweithredol i ymchwilydd arweiniol a sefydledig ym maes iechyd cymhwysol a biofeddygol.
- Gallwch wneud cais am 20-50% o'r cyflog ar gyfer 1-3 blynedd, gan gynnwys costau'r prosiect.
- Ar gyfer 2023, gallwch wneud cais o fis Awst

A allaf wneud cais?

Mae'r holl fanylion ar-lein, ond yn y bôn, mae'r cynllun wedi'i anelu at weithwyr gofal iechyd cofrestredig:

- sydd â PhD, MD neu gymhwyster cyfatebol
- sy'n gweithio ar lefel uwch
- lle mae dim ond hyn a hyn neu ddim o'u hamser i ymchwilio'n cael ei ariannu.

A allaf fod yn bartner ymchwil?

- Rhaid bod gan ymgeiswyr o leiaf un partner ymchwil.
- Os oes gennych record dda o sicrhau cyllid a gwneud ymchwil o ansawdd uchel, gallech fod yn gyd-ymgeisydd.

Ymunwch â gweminar i ddarganfod rhagor

**1-2pm ddydd Llun,
27 Mawrth 2023**

Mae Canolfan Ymchwil Cancer Cymru wedi trefnu gweminar dros amser cinio er mwyn i ddarpar ymgeiswyr a phartneriaid ymchwil allu clywed gan:

- **Monica Busse**, Cyfarwyddwr Cyfadran Ymchwil Iechyd a Gofal Cymru, yn sôn am sut y gallai dyfarniadau personol gefnogi eich gyrfa
- **Samantha Moore**, cynrychiolydd cynllun Cyngor Ymchwil Feddygol UKRI, yn sôn am gymhwystra a'r hyn y bydd y panel yn chwilio amdano.
