EMCR Cancer Network Cymru

What is the EMCR Cancer Network Cymru?

A space for Early and Mid Career Researchers (EMCRs) in cancer in Wales to connect with each other, to share knowledge and learning opportunities across institutions

How often does the group meet?

Online, around every 2 months for 2 hours.

Meetings will feature EMCR presentations from across Wales and invited speakers.

We encourage members to give presentations and suggest future topics, so that the group drives its own agenda.

Who can join?

Anyone who is at an early or mid career stage (including PhD), who undertakes clinical or non-clinical cancer research within Wales.

How do I sign up?

You can sign up for the group using the QR code below:
